SUBJECT: Receive and File Report of Investments, Including Market Values for Investments for the Month Ending March 31, 2023

RECOMMENDATION: Receive and File

FISCAL/MANDATES IMPACT: None

DISCUSSION:

This report covers the one-month period ending March 31, 2023.

The **average daily portfolio balance** for March was \$3.892 billion, a \$22 million decrease from February. Exhibit 3 shows the cyclical pattern of the portfolio balance and that the balance peaked in January, following the heavy December tax collection period. The balance is currently on its way to a new high as we conclude the heavy April tax collection period.

The **Effective Rate of Return**, net of administrative fees, for March was 3.11%. Yields should continue to rise at least through spring 2023, based on statements made by the Federal Open Market Committee.

Going forward, if the current portfolio investments were all held to maturity, the portfolio's gross **approximate yield to maturity** would be 3.293%, an increase from February that continues the steady rise in the portfolio's Effective Rate of Return.

The **net earnings** for March were \$10,456,024, an increase of \$841,997 (8.8%) from February. I am confident that Exhibits 6 and 7 will continue to show upward movement in April.

The **weighted average days to maturity** dropped to 244 days. The interest-rate sensitivity measure of **effective duration** increased slightly to 0.423. Both numbers are comfortably within expectations for LGIP programs like ours.

Exhibit 9 is a useful pie chart that graphically illustrates the portfolio holdings by S&P ratings. Nearly 45% of the portfolio is in the highest short-term and long-term rating categories (A-1+ and AAA), which is one reason for our continued receipt of S&P's highest rating.

The **three largest sectors**, by percentage, were: U.S. Treasuries/Government Agencies (31.27%), Commercial Paper (21.44%), and Yankee Certificates of Deposit (19.64%). The nearly 4% increase in the Government sector is reflective of our stepped-up approach to risk management. We are mindful of the volatility in the market and are continuing to focus on high credit quality by adding U.S. Treasury securities to the portfolio and increasing our positions in Government Agencies. The 3.29% decrease in Yankee Certificates of Deposit is a result of our decision not to invest in banks since the recent "banking crisis." The **three largest issuers**, by percentage, were: Federal Home Loan Bank (17.78%), Toronto Dominion (7.78%), and the Supranational, IBRD (6.70%). As a risk management measure, we have focused on lowering the issuer concentrations, except in the Government and Supranational sectors. The **three highest-yielding sectors**, by annualized percentage yield, were: Commercial Paper (4.952%), Yankee Certificates of Deposit (4.811%), and Government (2.579%).

The portfolio has been managed with the stated objectives of safety, liquidity, and earning a competitive return, as outlined in the Statement of Investment Policy. In striving to maintain **the primary objective, safety of principal**, the County of Ventura has continuously maintained a rating of AAAf/S1+ by Standard & Poor's, the highest rating given by that agency. The rating was reaffirmed in November 2022 and reflects the results of the very thorough audit & review conducted by Standard & Poor's. The rating reflects S&P's opinion that the portfolio is well-managed, credit-worthy, well-diversified, and has a low sensitivity to interest rate variations. Regarding **the secondary objective of maintaining sufficient liquidity** to meet cash flow needs, the portfolio maintains significant cash reserves in the County's bank, as well as significant holdings in LAIF and CalTrust. The portfolio has the ability to meet its participants' expenditure requirements for the next six months, pursuant to a daily study of projected cash flows. All of the portfolio's assets have a well-developed resale market, although, of course, it is our policy not to sell. **Earning a competitive rate of return** is reflected by our performance against our benchmarks, even though they each have less restrictive investment policies than ours. They either have no S&P rating, such as LAIF, or a lower S&P rating, such as CalTrust.

The portfolio has been managed for much of the last year, with a focus on the challenges of investing in a rising interest rate market without approaching the boundaries imposed by our Statement of Investment Policy and by Standard & Poor's rating team. We continue to be ever vigilant and watchful of the recent volatility and financial stress in the market. We will navigate through this market volatility by maintaining our emphasis on risk management and keeping our focus on safety and liquidity.

This letter has been reviewed and approved as to form by the County Executive Office, the Auditor-Controller's Office, and County Counsel.

Please contact me at 805-654-3771 if you have any questions or require further information regarding this item.

Sincerely,

Sue Horgan
Treasurer-Tax Collector
